

93 Carlisle Road

This well cared for home was designed for comfort and easy living while offering breathtaking views of the St. John River Valley from various rooms in the house. The main level is highlighted by a spacious kitchen with eat-in dining area, formal dining room, living room, and a convenient half bath/laundry area. Relax in your 2nd floor sunroom over-looking the river while you sip your morning coffee. Three good sized bedrooms and the main bath with double vanity, stand up shower, and corner jet tub completes this level. The basement offers loads of storage space and a finished den/office. Completing this package is yet another spot to enjoy the views from the large wrap around deck. Heated and cooled by a forced air heat pump this home is worth a look.
